Name: Alvin Lin Stunde: 7 Viertel: 4 Circle This Quarter's IB Theme:

Health, Cultural diversity, Customs and traditions, Health, Leisure, Science and technology

Topic (what you signed up for) Sport events

Presentation: Speak in an enthusiastic way; make eye contact with your listener; do not read the handout to your partners.

Your script:

„Hallo!“ (offer your hand for a handshake)

„Ich heiße Alvin Lin(write your name here)“

„Heute spreche ich von diesem Foto“ (give your partner your picture). “These are some important things to know about watching sports. (your topic in English)”

THESE MUST BE SPECIFIC TO GERMANY/GERMAN CULTURE AND MUST INCLUDE STATISTICS SOMEWHERE.

Describe what you see in this picture that matters to your culture topic:

1. I see a German audience watching a soccer game.
2. Interpret the significance of the photo. What does it say about Germany or German-speaking people?

German people always cheer for their team, waving the German flag.

What's an advantage of the situation in the photo?

3. With them waving the German flag you would know they're German.
4. What's a disadvantage of this situation?

You can't see the field so we don't know if they're actually playing soccer.

5. What is similar about this situation to American culture?

We Americans also root for our team in the same way.

6. How is the German situation different than in America?

Americans on their leisure time usually are just coach potatoes, while Germans like to go out more.

7. How has this situation changed over time? (restate the question and use a complete sentence)

As the sport grew more popular, there was an increase in the amount of fans as well as changing where the sport is played.

How might it develop in the future? (restate the question and use a complete sentence)

8. In the far future, technology will improve greatly that the TVs will feel like your right in the field experiencing the game, thus no longer needing to go to a stadium.

What is your best open-ended question about this topic for your partner, that will give him or her the opportunity to show how clever, interesting, intelligent or engaged they are in your topic? Do not write a YES/NO question!

#9How would you spend your time when you're an audience to your favorite soccer team?

„Danke” (partner repeats „Danke” after you)

„Wiedersehen” (offer your hand for a handshake)

How to transition between presentations:

Hold up your index finger above your head until you find another classmate with their hand up. Move together and present again: ladies before gentlemen, and longest hair before shorter hair. Don't present to the same person more than once. Keep going until the time is over.
